Document control

Revision	Date	Description
A	25 August 2026	Adopted by the Board

1. Commitment

We want the community to be part of this. Dam Kings Beach is committed to engagement that is open, respectful and informed by evidence.

2. Principles

- **Transparency** – project documents are published on our website.
- **Accessibility** – information is provided in plain language and in a range of formats.
- **Respect** – we welcome different views and ask that discussion remains respectful.
- **Responsiveness** – we will acknowledge written submissions and report on what we have heard.

3. Stakeholders

Group	Interest
Residents of the Byron Shire and Northern Rivers	Use and enjoyment of Kings Beach
Beach users, including visitors	Access, recreation, amenity
Swimmers, surfers and fishers	Access to the water
Local businesses	Partnership and community benefit
Community groups, including groups opposed to the proposal	Views on the proposal
Government agencies and elected representatives	Assessment, approvals and funding

4. Engagement methods

Method	Timing
Project website and document register	Ongoing
Project updates by email	Approximately monthly
Written submissions via website	Ongoing
Community information sessions	First round over the coming months; dates to be announced
Stalls at local markets	Over the coming months

5. Written submissions

Written submissions can be made at any time using the contact form at damkingsbeach.org. Submissions will be acknowledged, and a summary of issues raised will be published. Personal details will not be published.

6. Online discussion

We ask that discussion on our social media pages remains respectful. Comments that are abusive or that contain personal information may be removed.
